

Share the Dream Lyrics

Just an Olympic Girl
livin' in a sporting world
She took the inside lane running in the fastest way
Just a little athlete born and raised in South London
He took the inside lane running in the fastest way

A athlete in a training room
The smell of sweat and hard work too
For a team that can share the win
They run on and on and on and on

Athletes waiting
Preparing on the starting line
Their shadows casting in the lanes
London, Olympics
Performers livin' out their dreams
Building, lasting, legacies

Working hard to get my dream,
Everybody wants to scream
Do anything to win the race
Our time has come

Some will win, some will lose
Some are born to sing the blues
And now the dream never ends
It goes on and on and on and on

Don't stop believin
Hold on to that feelin'
London, Olympics
(repeat)

Don't stop!
